Chopping for Trees
Finding A Tree Yule Love
By Kenneth J. Souza

The smell of the pine. The twinkling of the ornaments. The sparkle of the lights.

Or maybe it's the sting of the sharp needles. The stickiness of the sap. Or the tendency it has of leaning to one side.

Whatever it is, it's about this time of year that people become enamored — even obsessed — with claiming their own "perfect" Christmas tree. A lone pine plucked from its natural setting is thrust into a small base with water (whether it fits or not) and is left to stand in one corner of the living room precariously balancing excessive amounts of lights and ornaments while trying not to trample on the well-wrapped presents below.

Cruel and unusual punishment some might argue.

But the tradition of picking and purchasing a Christmas tree each year has become as important to the holiday as the family feast and the exchanging of gifts. And though there are supporters of the store-bought "artificial" tree, most families seem to prefer the look and smell of a real pine or fir tree — especially when they're so common to the New England area.

Indeed, during a recent excursion to one popular tree farm in Rochester, several people were clamoring for the best of the bunch. One couple had travelled from Sandwich to claim the perfect 10-foot tree. Another man took a truckload of twenty trees away with him to share with families on Cape Cod.

"Some people find a tree that's too big, and end up cutting the top off," said Swen Olaussen, proprietor of the Christmas Tree Farm in Rochester. "Others take the whole thing home and use the extra for wreaths and decorations."

Mr. Olaussen can be considered something of an expert on Christmas trees. He has owned and operated the Christmas Tree Farm for the last 20 years with his wife, and he spends most of his spare time caring for the newly-planted saplings and full-grown trees year-round. After marrying "the farmer's daughter," as he tells it, the couple decided to make the move from traditional farming to tree farming.

"I've always been interested in Christmas trees ... so in 1976 we got rid of the cows and turned the place into a (Christmas) tree farm," he said.

Mr. Olaussen's farm seems to be a popular destination from the weekend after Thanksgiving right through to the weekend before Christmas. The five-acre parcel of trees will yield an estimated 600 trees for sale each year, according to Mr. Olaussen. They sell for a modest \$20 to \$50 each, depending on their size.

Lynne Zimon of Marion showed up for her annual tree purchase with her dog "Katie" this week. "I come here every year ... his trees are beautiful," she said.

"They're the best-looking trees around."

Matt Ferro from Cape Cod, who was about to haul away 20 trees on this particular afternoon, agreed. "I've been coming here for the last few years," he said. "(Mr. Olaussen) does a great job with his trees."

Indeed, a little tender loving care seems to go a long way when cultivating holiday trees. Mr. Olaussen said his secret is simply to replant saplings each year after a tree is cut down. He also prides himself on pruning and shearing the trees during the year to keep their full shape. "I shear the trees once a year," he said. "Pine trees need to be sheared between June 15 and July 15. When you cut the branches, new buds are formed and it fills the tree right out."

It takes a sapling about 10 years to grow into a mature, six- or eight-foot tree. The farm is on a regular schedule now where each year a new crop is ready to be tagged and cut down. Admittedly, "there's always something to do," Mr. Olaussen said.

So what's the secret in keeping a tree fresh once you've taken it home? "The main thing is the outer bark needs to be watered," Mr. Olaussen said. "Some people shave or cut down the base of the tree to fit it into their tree stand. But the water is drawn up through the outer bark, not the inner trunk. It won't be able to get water if the bark is cut off."

Those who haven't either tagged or purchased a tree yet would be wise to do so before all the good ones

On the cover: Lynne Zimon of Marion finds the "perfect" tree at the Christmas Tree Farm in Rochester. (Photo by Kenneth J. Souza).

are taken. Like most area tree farms, the Christmas Tree Farm, located at 142 New Bedford Road in Rochester, is open on Saturday and Sunday from 10:00 am to 4:00 pm.

Holiday Tour

Marion's "Christmas Around Handy's Tavern"

The Sippican Woman's Club will present its Tenth Annual "Christmas Around Handy's Tavern and House Tour" on Saturday, December 14 from 10:00 am to 4:00 pm. This year's tour brings the entire village of Marion into a very special day of celebration. The tour begins at the Woman's Club House, Handy's Tavern, which was built in 1812 to serve seamen in the busy seaport of Sippican.

Wassail will be served from the newly-renovated kitchen. "A Teddy Bear's Antique Christmas" will also feature antique bears from the collection of Lu Chevrier and antique miniature furnishings through the courtesy of club members and friends. Antique quilts from the collection of Emily McLaughlin of Perry Farm Patchworks in Acushnet will also be on display.

Chairperson Renata Briggs and her committee have spent months preparing for this event. Five private homes will be open on the tour and decorated for the holidays by local florists. This year's designers are Eden Landscapes (Marion), Mary Zino (Wareham), A Flower Works (Marion), Blossoms (Mattapoisett), and Reed Florist (Dartmouth). Members of the club will host homes, providing information on the special features of each.

Church on South Street will offer tea, coffee, and Christmas goodies before, during and after the tour, from 2:00 to 4:00 pm.

Tickets for the House Tour are \$12 in advance and \$15 the day of the event. They can be purchased at the following locations in Marion: the Marion General Store, the Bookstall, the Sitting Duck, the Emporium, and the Ansel Gurney House. In Mattapoisett, tickets are available at the Opulent Owl.

The House Tour is the Sippican Woman's Club's only fund-raising event. Proceeds are used to establish scholarships for area students. For additional ticket information, please call 748-2461.

Mattapoisett Selectmen's Meeting

December 10, 1996

By Dionne F. Richmond

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday December 10, 1996 at 7:00 pm by Chairman John N. DeCosta. Also present was Selectman Paul E. Lambalot, Selectman Michele C. Bernier and Executive Secretary Carol Adams.

After approving the minutes of the meeting held on Tuesday December 3 the Board signed the weekly warrant and liquor licenses for 1997. Selectmen also signed outgoing correspondence including letters thanking Wesley Bowman, Alan Ewing and Dr. Costa for their input with regard to drainage on Church Street and a letter acknowledging the resignation of Cheryl A. Mallows.

Meetings scheduled throughout the week include a Mattapoisett River Valley Water Supply Protection Advisory Committee on Thursday, December 12th in the Selectmen's Office and Executive Session for Collective Bargaining on Monday, December 16th.

At 7:05 pm the Board met with Kathleen Massey, Assistant Dog Officer regarding the Lucas dog hearing. She said the Lucas' have found another home for their

dog and the problem was solved.

Next the Chair of the Library Trustees Joan Andersen met with the Board to discuss the balcony in the Mattapoisett Library. She said the Library Board is concerned about the Building Inspector's report on the balcony which is sagging. "We won't know how serious it is until it's investigated," she said. She asked Selectmen the proper procedure for finding an engineer to repair the balcony. Chairman DeCosta said he would meet with Robert Humphrey, who has experience working on the library to look into the problem.

Ms. Andersen also asked how the Board should go about purchasing computer equipment. Ms. Adams explained the Library Trustees should get three bids for the computer and software equipment in writing to be on

the safe side. She estimated the cost for the new computer equipment, which would eventually be able to access the library to the Internet, at about \$1,800.

Under the Executive Secretary's report Ms. Adams said she would like to publicly thank Melody Pacheco for her hard work preparing for the annual Christmas Tree Lighting and "pulling everything together." Chairman DeCosta complimented the band and the chorus who participate in the lighting ceremony each year. "The kids were splendid this year," he said.

Under incoming correspondence for the week the Board received a follow-up letter from Building Inspector Andrew Bobola with regard to the issuance of building permits. Selectmen unanimously agreed to adopt the amendment as requested by the Building Inspector to help collect outstanding taxes or other municipal charges. This new section entitled "An Act Relative to Building Permits" is an amendment to a local option statute and according to Town Clerk Lois Ennis, was accepted at Town Meeting on May 6, 1986, Article # 35.

The areas the department will check before the issuance of a Building Permit include real estate taxes; excise tax, dog licenses; raffle and bazaar permits; department of Revenue tax filings; business certificates; mooring, skiff and wharf fees; second-hand article licenses; underground storage of gasoline and soil removal permits. In his letter Mr. Bobola states, "It is anticipated that when we are ready to issue a building permit we will call the town clerks and the treasurer's office and they will review the records and give us the approval before we issue a permit.

"If this draft is agreeable with you, I would suggest that this procedure be started on January 2, 1997 and that the town not get involved in reviewing licenses and permits previously issued."

The Board also received a copy of a letter sent to the Department of Revenue from the Water/Sewer Commissioners advising that \$8,441 will be reflected as

sewer rate relief and prevent the need for a 6 1/2 percent sewer rate increase in FY 1997.

Correspondence was also received from Dr. and Mrs. William P. Hunt thanking the Board for accepting the recommendations with regard to the Pepperbush Lane decision. The letter also encouraged endorsement of the Buzzards Bay Project model storm water regulations and moratorium on all future building. "Like the towns of Marion and Rochester, our town boards need the consistent and comprehensive approach to the issues of flooding and protection of water quality and wetlands habitat that these regulations would provide," the letter stated. "We would also like to see the Selectmen support Mr. Lee in his proposal of a moratorium on all future building. Any further development in Mattapoisett should be delayed until some kind of correction is made in present town flooding and water pollution problems and some long range planning is done to insure the quality of our streams, wetlands, and bathing beaches." The Board will continue to research the matter.

There being no further business before the Board to discuss, they unanimously voted to adjourn at 7:30 pm.

Marion Selectmen's Meeting

December 10, 1996

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, December 10 at 7:00 pm by Chairman Jonathan "Jody" Dickerson. Also present were Selectman Loretta B. Schaefer, Selectman Albert E. Winters, Executive Secretary Ray Pickles, and Secretary Helene Craver.

At 7:00 pm the board met with Clayton Hagy of the U.S. Coast Guard Auxiliary, who said he came before the Selectmen to commend a town employee for her diligent work with their organization. "There is one person (in the Marion Town House) who has been instrumental in scheduling our classes at the Music Hall," Mr. Hagy said. "I'd like to present a certificate of appreciation to Helene Craver, for her 'fair, just and impartial keeping of the Music Hall calendar.'"

After presenting the certificate to Ms. Craver, Selectman Schaefer informed Mr. Hagy that renovations on the Music Hall are slated to begin sometime in March of 1997. As such, the building will be closed for about one

year. Mr. Hagy said the Coast Guard Auxiliary is looking for an alternate meeting place and he appreciates the town's cooperation in allowing them to hold boating courses at the facility.

After signing treasury warrant 24 and 28 for the week and approving the minutes of the December 3 meeting, the board unanimously voted to reappoint Selectman Dickerson to the Recreation Committee. Mr. Pickles also advised that the Town House holiday schedule will follow the same guidelines as in past years. The Town House will remain open until 4:30 pm on Tuesday, December 24, but will be closed for December 25 and 26. Likewise, the Town House will be opened on December 31 until 4:30 pm, but will be closed on New

Year's Day.

Under incoming correspondence for the week, the board received a memo from Conservation Commission (ConCom) members Horace S. Kenney Jr. and Wayne Asker requesting that the board appoint two Association ConCom members as voting members during the period between February 3, 1997 and April 7, 1997. Mr. Kenney will be out of the country during that period and Mr. Asker will be away February 12 through April 18, creating a potential quorum problem. Mr. Kenney suggested the board appoint Jeffrey Oakes and Sherman E. Briggs Jr. as the two voting members.

The board unanimously approved the appointment of Mr. Oakes for that period, but Selectman Schaefer wanted to consult the legal decision regarding Mr. Briggs' participation, since his position as a contractor might conflict with ConCom decisions. The board agreed to take Mr. Briggs' appointment under advisement.

The board also received a copy of the town's proposal for a Bike Path as prepared by the Circulation Subcommittee of the Planning Board. Copies of this proposal have been sent to the Massachusetts Highway Department and the Southeast Regional Planning and Economic Development District (SRPEDD).

At 7:15 pm the board met with the Growth Management Oversight Committee to review some of their pending plans and goals for the upcoming year. Committee member Lee Hayes informed the board that they would like to schedule an open public meeting sometime in the spring prior to the next Special Town Meeting to discuss the zoning by-law changes as proposed by the Planning Board. "I know the Planning Board is planning to have a Monday night hearing sometime at the end of January ... but I thought maybe we could do another open meeting between their hearing and the Special Town Meeting," he said.

Mr. Pickles suggested having the meeting two weeks prior to the Special Town Meeting, which would

allow both ample press coverage and also give them enough time to prepare the final warrant. Selectman Winters agreed with the idea. "I think that would be very helpful," he said. "The weak link has always been getting the word out to residents."

The Growth Management Oversight Committee also requested another joint meeting with the Board of Selectmen and Planning Board prior to their public hearing. The board suggested January 14 as a possible meeting date. Lastly, the Growth Management Oversight Committee said they were working on improving the permitting process in order to retain existing businesses in Marion and encourage new businesses to move into town.

"For us, the retention (of existing businesses) is paramount," Mr. Hayes said. "Recruiting new businesses is important, but it's secondary right now."

Selectman Schaefer said she is working on streamlining the permitting process and opening up the communication between the various departments which businesses need to deal with in order to get their permits. A final plan should be ready early in 1997.

At 7:25 pm the board met with Robert Wedge of the Buzzards Bay Area Habitat for Humanity to discuss the organization's plans for the area. Mr. Wedge said he just wanted to meet with the board and let them know that they are up and running, and their goal is to build the foundation of its first home in the area sometime in June, 1997.

The Buzzards Bay Area Habitat for Humanity serves the towns of Acushnet, Fairhaven, Marion,

At 7:35 pm the board met with members of the Board of Health (BOH) and Regional Sanitarian Karen Walega to discuss the future of the Acushnet/Marion/Rochester Regional Health District. According to the BOH, they have heard that Acushnet is looking to secede from the Regional Health District in July of 1997. They understand that Acushnet is currently seeking the advice of Town Counsel regarding this matter.

The Marion BOH is planning to meet with the

"CAVEAT EMPTOR?" -- NOT TODAY

If you buy an old overcoat in a used clothing store and the sales slip states "Sold As Is", you've bought it moth holes and all, right? Well, maybe. The legal principle of "caveat emptor" (let the buyer beware) is dead or dying. We are living in an age of consumerism and it's hard to find a court that won't favor the buyer in a dispute. In fact, consumer groups and many government agencies are taking the posture that the seller must disclose everything.

If you have a problem in your home, don't mask it. A common example is the

homeowner who spray paints a ceiling to cover water stains caused by a leaky roof. If you have a problem that you don't intend to correct, be candid about it. Sure, some people will be turned off by it, but the serious buyer will be understanding about a problem openly displayed. Usually, they will discount the price by far less than the cost of repair... and a whole lot less than a day in court would cost.

Call Bruce today with any of your Real Estate questions or needs. We're here to help!! 758-6738.

Rochester BOH next week, and they wanted some guidance from the Selectmen as to how Marion will proceed.

Mr. Pickles interjected and said if the regional health district does, in fact, split (with Acushnet pulling out), he would suggest and support Marion and Rochester sharing the services of Regional Health Agent Karen Walega on a 60/40 percent basis, whereby Marion would have her services three days a week and she would work for Rochester the other two. "As it stands now, (Ms. Walega) has been forced to spend most of her time at on-site inspections," Mr. Pickles said. "We certainly could use her for restaurant inspections ... I know that (Marion) could use her services and I know we can justify the additional expense."

Mr. Pickles went on to say that Acushnet certainly has the option of seceding from the district, and both Marion and Rochester should be able to pick up the slack. "I think it would substantially improve the (Marion) Board of Health's ability to serve the residents if we had (Ms. Walega) working here three days a week," he said.

Although the BOH stressed that they haven't been officially notified of Acushnet's intentions, they are preparing for that eventuality. The Board of Selectmen unanimously said they would also support the sharing of the Regional Health Agent with Rochester based on Mr. Pickles' recommendation.

At 7:45 pm the board voted to go into Executive Session without Chairman Dickerson to discuss pending contract negotiations. They would adjourn for the evening upon completion of the Executive Session.

The Marion Board of Selectmen will be on hiatus during the next three weeks due to the upcoming Christmas and New Year's holidays. Their next regular scheduled meeting will be held on Tuesday, January 7, 1997. The board and Town House staff wish to extend Happy Holidays to all Marion residents.

Rochester Selectmen's Meeting

December 9, 1996

By Dionne F. Richmond

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, December 9 at 7:00 pm by Chairman Lorraine Roy Hawkes. Also present were Selectman Richard D. Cutler, Selectman William D. Chamberlain, and Executive Secretary Russell J. Dean.

The board began the meeting by approving the minutes of the December 4 meeting and reviewing correspondence for the week. The Building Department submitted a letter informing the board of a surplus metal typewriter table which is available to any department in town. In another letter Vincent Ryan, a retired NYNEX employee, expressed his interest in serving on the town's Cable Advisory Committee. The board will place his letter on file since the committee is still in the initial stages of being formed. Those interested should contact the Board of Selectmen at the Rochester Town Hall.

Anna E. White next submitted a letter requesting she serve on the Arts Lottery Council. Her letter will be placed on file and forwarded to the chairman of the council.

Under the Executive Secretary's report, Mr. Dean said he received a letter from Police Chief Walter Denham in response to a request from a resident who was concerned about a dangerous intersection at Neck and Mendall Road. Mr. Dean said the police department determined it was dangerous when coming from a northerly direction. Although the road may be reworked in the future, Chief Denham advised that it wasn't possible at this time. A stop sign will be erected for those headed south onto Mendall Road since it is difficult to see approaching cars from that angle. The Highway Department will be asked to install the new stop sign.

(Near Tarkiln Hill Rd.) Exit 4 off Rt. 140
to Ashley Blvd. (Rt. 18) 1 mile South of N.B. Voke

995-1320

Next Mr. Dean thanked the office staff in the Town Hall for helping make his job transition to Executive Secretary a smooth one. "They were ready and willing to answer my questions," he said.

At 7:15 pm the board met with Jack Ayers of Walnut Plain Road who submitted a letter regarding a dog complaint near his home. In his letter he said he was greatly concerned for his welfare when taking his daily walk past a house on Walnut Plain Road with an aggressive pit bull. Although the dog hasn't bitten him, he said he fears one day it will. He also fears the dog will pack up with others and said that could lead to a dangerous situation.

"The pit bull is more and more aggressive each

time I go down," he said. Other people he has encountered on his daily walk have said they are also afraid to walk past the house. The owners have told him the dog won't bite, but that hasn't reassured him. He said a simple answer would be to keep the pit bull in the back of the house where there is a building and a dog run.

The owners of the dog, Gordon and Sharon Sylvia, said they didn't want anyone to get hurt either — one of the reasons they gave away another dog about a week ago. They are also looking for a home for the pit bull, which belongs to their oldest son. But their third dog — a German Shepherd — has never been a problem.

"Everyone in the neighborhood knows the dog and knows he's not a problem," Mr. Sylvia said. The

Sylvias also explained the pit bull has been chained up since Dog Officer Thomas Medeiros asked them to restrain the animal. They conceded he is aggressive.

"That's why we can't keep him," Ms. Sylvia explained. Even though it is a hard decision, they said they weren't willing to take the chance someone might get hurt. Selectman Cutler said he wished "all dog problems could be this easy," and asked the owners to inform the Town Hall when they did give away the pit bull.

Dog Officer Thomas Medeiros also told the board he has been going door-to-door of all dog owners in Bradford Estates to warn them to keep their dogs tied up, especially during trash pick-up. "Everyone has been advised if we do have a problem I'd pick up the dog and let the owner come to me at that time," he explained.

At 7:30 pm the board met with Rochester Emergency Management Agency (EMA) Director Paul Ciaburri, who asked that he remain the NYNEX Storm/Emergency contact person for the town. He said it has worked out well in the past and said "most of the time we deal with crews in town." Whether he is dispatched or paged, he said he is available to receive the message. "I have plenty of back-up," he said. The board unanimously agreed he should remain the NYNEX Storm/Emergency contact person after speaking with him.

Selectman Cutler also brought up the Snipatuit Pond Committee. He said it's time to do something with the committee, on which only three people have expressed interest in serving. The committee will meet

with the board and will be asked to find other interested people to join.

At 7:40 pm the board met with Park Commissioners Gary Laboa and William Towers for an update on the Dexter Lane grant. After speaking with Conservation Agent Laurell Farinon, they said they have come up with a proposal. They explained the grant is for \$50,000 and can't exceed 58 percent of the total project cost.

"We need a \$100,000 project, even if it's for the first phase," explained Mr. Laboa. He said the total amount for the project — \$272,000 — should be split into two phases. In order to get the grant they asked an article for \$136,000 be placed on the Special Town Meeting warrant, which is tentatively scheduled for March or April. "The amount of money we're looking at is basically just to get us through the first phase," Mr. Towers said. "We'd like to be completed by the spring of 1998." The town's share will actually be \$86,000, since the \$50,000 grant is reimbursable. Mr. Laboa said fundraisers are also planned.

"We'd like to draft up an informational letter to the townspeople and businesses to let them know what we're doing, what we plan to do at Town Meeting," he said. "Meanwhile we'll try to raise money through the private sector for donations." A fund for the project was also discussed. "We'll keep our eyes and ears open for other grants," Mr. Laboa explained. So far the commissioners have researched three engineering

companies for pricing.

The commissioners said the baseball fields could be used after Phase I. They also hope volunteers will come forward to help with the baseball fields. "Once the site plan is done, we can move forward with the exact cost of the field and preparation to determine how much land is usable," Mr. Laboa said. "There's no reason we can't be playing on the baseball fields by the Spring of 1998."

"We'll be back here a year from now to talk to you about phase two," said Mr. Laboa. Once the survey and hard pricing are completed, Mr. Laboa said they'll know how much Phase I will accomplish and they'll take it from there. When asked if the board supported the project, Selectman Cutler said "yes."

"But the timing is questionable because of the budget," Selectman Cutler said. If passed, money for the article would be taken from either the Stabilization Fund or Free Cash. Town Accountant Claudette Coutu said there is about \$550,000 to \$600,000 in Free Cash, which is less than it was in prior years.

When asked what will be done with the old

fields, Mr. Laboa said they will still be used. He said they had to turn away quite a few adult softball teams because the fields were constantly being used. "I can't see us not using the old fields," he said.

After meeting as the Personnel Board, the Selectmen unanimously voted to adjourn for the evening.

Acushnet Selectmen's Meeting

December 9, 1996

By Kenneth J. Souza

A regular meeting of the Acushnet Board of Selectmen was called to order on Monday, December 9 at 6:00 pm by Chairman Everett L. Hardy Jr. Also present were Selectman Peter W. Koczera, Selectman Robert J. St. Jean, and Executive Secretary Elaine G. Miranda.

Ms. Miranda first noted that the board's scheduled meeting that evening with the Old Colony Regional School Committee had been cancelled, since they received no response regarding a vacancy on the committee. As such, the board is again seeking applicants to serve on the Old Colony Regional School Committee.

Interested applicants should send a letter and resume to the Acushnet Board of Selectmen, 122 Main Street, Acushnet, MA 02743. The deadline for applications will be extended to January 3, 1997 at 3:00 pm. The board agreed to make an appointment to the committee on Monday, January 6 at 6:30 pm.

Under incoming correspondence for the week, the board received a letter from Mary-Jo Francis requesting a

street light be placed on pole #4-40 outside of 14 Rene Street. Ms. Francis noted the light would prevent injury in this area which suffers from icy conditions during the winter. The board unanimously voted to forward this matter to the Safety Committee for their recommendation.

The Safety Committee next sent a memo to the board requesting that warning signals be installed at the site of the new EMS Building on Middle Road and also at Russell Street for the Police and Fire Department. The board agreed to contact the Safety Committee regarding their next meeting to discuss these items. They also voted to send a copy of this information to the EMS Department, the Fire Chief, and the Police Chief for their input.

The Safety Committee also responded to the Selectmen's recent inquiry regarding the driveway of Philip Camire who resides at 2 Bow Drive. It seems that vehicles travelling down Lake Street have difficulty making the turn and occasionally drive into Mr. Camire's driveway. When Mr. Camire recently filed a complaint with the Board of Selectmen, they voted to forward this matter to the Safety Committee.

The Safety Committee sympathizes with Mr. Camire's problem, but they also feel that "whoever designed the driveway used poor judgement." They also noted that they have previously requested a "dangerous intersection" sign be posted at Lake Street on the north side 20 feet from the stop sign at the intersection of Lake Street and Middle Road.

Animal Advice

Jay Gould, DVM

ANTIFREEZE POISONING

My dog was in the garage with me as I was changing the antifreeze in my car. He sniffed the old antifreeze and was going to drink it. I stopped him. Would it make him sick?

Antifreeze (Ethylene glycol) has a sweet smell that is, unfortunately, attractive to dogs. It can cause kidney failure if the dog is not treated within 4-6 hours after drinking this poison. If you see your dog or cat drinking antifreeze, take him to your veterinarian immediately.

Dr. Gould can be reached at the Mattapoisett Animal Hospital (508) 758-6400

proposed well," she wrote. "I am concerned as to whether any study has been done on what the effects of the proposed withdrawal from the ground water will be on surrounding wells. Whose responsibility will it be to drill a new well in case my existing well runs dry?"

The board agreed to send this letter to the Board of Water Engineers for their input.

Richard Elgar of the Hen House Corporation next sent a request to the board to extend their hours on Monday, December 16 to 1:00 am for a company Christmas Party, and also to 1:00 am on Tuesday, December 31 for a New Year's Eve Party. He also wrote to request extending their regular operating hours from 8:00 am to 1:00 am, Sunday through Saturday, for the entire year, beginning January 1, 1997.

The board first addressed the requests for this month. Since they have set a precedent in extending hours for New Year's Eve with other businesses, they unanimously voted to approve the Hen House's request for December 31, with the same stipulations as recently applied to Nine Island Restaurant. However, Chairman Hardy said the request for December 16 went beyond their normal exceptions.

"We have to be very careful with (liquor licenses)," he said. "Their license is issued for the entire year, and we usually make an exception for New Year's Eve ... but normally you can't extend hours for a typical weekday."

The board thereby voted to deny the request to stay open late on December 16.

As for their request for the entire year, the board voted to schedule a hearing on January 6 at 6:45 pm in order to consider extending their operating hours. All abutters will be notified as per state law.

The board next received a letter from Superior Homes, Inc. on Cedar Hill Drive regarding statements

made to them by DPW Superintendent Richard Settele. Mr. Settele was recently inspecting drains at the Quinn Brook Estates, and he asked representatives of Superior Homes if they owned any other lots in the development.

"After stating to him that we did, in fact, own two more lots, he responded, 'Don't plan on building on them,'" the letter stated. "This statement distressed us, as we feel that in no way are we responsible for the problems caused by the original developer."

Selectman Koczera asked that a copy of this letter be forwarded to the chairman of the Board of Public Works (BPW) for their input on this matter.

Michael Wojtunik and his wife next came before the board regarding a retreat lot situation on Gammons Road. According to Mr. Wojtunik, he has learned that a four-house development has been approved for property near his home. This property is the same site where a multi-house development had been proposed and previously rejected by the town.

Mr. Wojtunik also noted in a letter to the board: "Earlier this year there was an on-site public town meeting ... After a walk-through it was determined that the plans proposed were inadequate for the major drainage problems that existed not only on that property but the problems that could be cause on adjacent properties." In short, he would like to know why there wasn't a public town meeting prior to approval of this development and why was development approved when it was previously rejected by the town?

Chairman Hardy began by saying this is the first major problem they've encountered with the retreat lot by-law. Last week, the board attempted to rectify this situation with all department heads and see if something could be done regarding the wording of the town's new zoning by-laws. "I think we should suggest that the way

the by-law was worded ... it should have been for only one retreat lot (per parcel)," Chairman Hardy said. "I think a cease and desist order should be issued until we resolve this matter."

The board agreed that while they are still trying to get a legal ruling on the retreat lot issue, the Planning Board should not approve any further developments containing retreat lots. The board unanimously voted to send a letter to the Planning Board advising them that they would like them to rescind their recent approval of two subdivisions containing retreat lots on a temporary basis, pending a response from Town Counsel. They also voted to notify abutters to the parcels regarding the legal matters involved.

At 6:30 pm the board met with all department heads to discuss the future financial direction of the town and the possibility of establishing a new Financial Director position. Chairman Hardy explained that the board has called the meeting in order to discuss the future financial direction of Acushnet, and to decide what needs to be done to bring the town "into the twenty-first century."

"We've installed a new (MUNIS) computer system in Town Hall, and we're looking to do all the finances out of Town Hall, maybe even payroll," Chairman Hardy said. "The Town Treasurer and Town Accountant are appointed by the Board of Selectmen. We feel it's dangerous because these are political

appointments. We're looking for someone to handle all the financial matters in town ... and find someone to head up this structure who is capable of handling finances and the computer system."

Chairman Hardy stressed that this new position "will not eliminate any jobs," and the Board of Selectmen is empowered by the Town Charter to create the position. The funding for the job, however, will require Town Meeting approval. "If the town votes down the money, we can't hire anybody ... it's that simple," he said.

Chairman Hardy went on to explain that the town right now is "in a bind," since only one person in Town Hall — Town Accountant Alan Coutinho — is adept with dealing with and correcting any computer problems which they might encounter. "The employees in the Town Accountant's office and the Tax Collector's office do not have extensive computer experience," Chairman Hardy said. "The only person who has the necessary background is (Mr. Coutinho)."

Some residents and department heads present at the meeting wanted to know if this would simply be a matter of paying Mr. Coutinho to take on more work, or was the board looking to hire someone from outside of Town Hall. Chairman Hardy said he didn't know if Mr. Coutinho had the time or interest in taking on this new position. Mr. Coutinho stressed that under the "present conditions" in Town Hall, he would not be interested in the position at all.

Winter tyres designed for maximum safety.

In a country where winter drivers have to be prepared for just about anything, the choice of tyres is important. That is why many Swedes stick to the Gislaved brand year after year.

But this is not, as you might think, only to acquire the ultimate protection should everything in sight suddenly turn white and polar bears start parading in the streets.

No, Gislaved winter tyres are the choice because they offer maximum safety and performance levels in wet and dry con-

ditions, as well as outstanding grip on snow and ice-covered roads.

Gislaved winter tyres therefore provide the versatility that gives drivers the confidence and security of knowing that whatever the weather conditions, their Gislaved tyres will perform with maximum safety.

And this is something that you, yourself, like hundreds of thousands other European drivers, can also benefit from. So why not switch to Gislaved and be ready for anything?

NORDFROST II

The tread grooves expel water and slush from the contact patch whilst the centre ribs provide excellent straightline stability.

The tread sipes provide a good grip on ice and maximum traction during braking and acceleration.

Strong shoulder blocks optimise traction and handling in cornering manoeuvres. The shoulder blocks also vary in size, which optimises the pitch sequence and results in lower noise levels.

The Gislaved winter tyre designed for extreme winter conditions. The heavy, open tread pattern provides excellent grip on snow covered roads, whilst the drainage grooves ensure that in wet and slushy conditions the risk of aquaplaning is significantly reduced. The rubber mix of the tread area, with its high percentage of natural rubber, enables the perfect combination of stability and responsiveness for cold winter driving. NordFrost II can also be fitted with studs where local regulations allow.

196 Perry Hill Road
Acushnet - 995-1555

Tuesday-Saturday 10-5, Sunday 1-5

"The Town of Acushnet needs to completely rework its financial structure," Selectman St. Jean said. "I feel we're really not up-to-speed and we're not performing at 100 percent capacity. We should have an up-to-the-minute financial status of the town in this computer age ... and I think we need someone in Town Hall who is computer-literate who can oversee this process."

Selectman Koczera agreed. "The Town of Acushnet is a \$13 million a year business," he said. "We need to get ourselves running this town like the corporation that it is. If we operated a private business the way we operate the town, we would have been bankrupt a long time ago. We cannot continue to function the way we have been. Acushnet needs to change."

The board agreed to draw up a job description for the position and would check into similar positions in other towns. They also agreed to prepare an organizational chart outlining the hierarchy of the position. Both the Finance Committee and Board of Selectmen agreed they would like an article to appear on the next Special Town Meeting to allocate the funding for the position, so that a person could be hired to start the next fiscal year.

At 7:40 pm the board voted to go into Executive Session to discuss contract negotiations and pending legal matters. They would return to regular session only to adjourn for the evening.

Sports Spotlight**Fairhaven Coach Anticipates New Season**

By Pamela L. Sylvia

Anticipation. Fairhaven High School's Basketball

Coach Bob Baldwin eagerly anticipates this time of year. This season, he hopes to improve his young basketball squad.

The Boys' Basketball team finished last season with a record of 8-14. Coach Baldwin admits the season looks questionable, but the circumstances are nothing he can control. "We haven't had a full practice squad in the last couple of weeks because so many kids have been sick," Coach Baldwin explained. "We started practice the Monday after Thanksgiving, and I still haven't seen all my players yet."

Besides natural causes preventing players from participating, Coach Baldwin realizes adversity booms near. He lost eight seniors to graduation, and only four

players returning are Varsity lettermen.

Truly, no superstars stand out on the team. But Coach Baldwin believes those circumstances are good. "Without a superstar, the players will play more on a team level, which is a good thing," he said.

One experienced players returning will add strong defensive skills, but Derek Almeida will also be asked to produce more offense this season.

Coach Baldwin also expects his bench to have plenty of depth. "Everyone basically plays on the same level, so more people will play off our bench," he said.

Having coached Fairhaven basketball for almost a decade, Coach Baldwin's experience will pay off in different ways. But one thing has never changed — his philosophy. He stresses four key points to playing the game successfully.

"If we play unselfishly, smart, hard, and together, then we should play well," Coach Baldwin said.

With their first game quickly approaching, Coach Baldwin will work his team into shape. But one thing is for certain: his determination and motivation will shine through the performance of his pupils.

extended to Mr. and Ms. Santa Claus and their elves for visiting the children of Mattapoisett.

We also wish to thank the following individuals, town businesses and town departments who so kindly donated their time and efforts to help make our Fourteenth Annual Christmas Tree Lighting a success: Wesley Bowman, Highway Surveyor; Highway Department Personnel; Ronald E. Scott, Fire Chief; Fire Department Personnel; Chase Canopy; Janet Scott; Stan Ellis and the Old Hammondtown School Band; Paula Roy and the Old Hammondtown Chorus; Diane Perry's Center School Art Classes; Albert Sylvia and Dennis Tripp of the Rescue Squad; Mattapoisett Brownie and Girl Scout Troops; Mattapoisett Women's Club; Janice Spark and Rick Brown of Shipyard Galley; New Bedford Voke; and Marc and Marlene Goddu of the Mattapoisett Inn.

A very special thank you is extended to Bob Adams, Barbara Sullivan, Maria Cananze, and Melody Pacheco.

Sincerely,

John N. DeCosta, Chairman

Paul E. Lambalot, Clerk

Gardner, Principal at Old Rochester Regional Junior High School.

Could you please convey our sincere appreciation to the students and staff responsible for the wonderful Thanksgiving Dinner they sponsored for area seniors on November 24.

This event goes far beyond a meal; it is a real celebration of respect between the generations. Marion seniors look forward to this dinner each year, and our 100 tickets are gone in a few days. The tales that come back to me are impressive, from the wonderful food to the entertainment and the generous door prizes. But foremost on their list of praise is the courtesy and respect they feel from the students. This is so important in these days of negative publicity for our young adults. For many of these seniors it is their only Thanksgiving gathering. Thank you for making it so special and memorable.

Sincerely,

Diane Duebber, Director

Marion Council on Aging

Friends of the Elderly - Mattapoisett

Christmas Gift Table

The "Friends" are maintaining a Christmas Gift Table at the Senior Center, Monday through Wednesday, 10:00 to 11:00 am and 2:00 to 3:00 pm. Numerous small gifts are available and also Mattapoisett sweatshirts depicting the seahorse, the lighthouse, and gazebo. They come in dark blue with white decal and are available in all sizes. The sweatshirts are reasonably-priced at \$15 and are very nice.

Also on the table you'll find Christmas ornaments, knick-knacks, and the Dinner For Two dineout book. This is a good opportunity to get some last-minute gifts, avoid the crowded stores, and at the same time help an organization whose goal is to enhance the quality of life of the seniors in town.

Line Dancing

Line Dancing will continue every Monday, except holidays, at the Senior Center in the Knights of Columbus Hall from 1:00 to 3:00 pm. The cost is just \$1 per session and well worth it.

Membership and Donations

The Friends of the Elderly of Mattapoisett, Inc. needs your help. The group's membership is open to anyone over 18 years of age and their goal is to help provide a better way of life for the senior citizens of Mattapoisett. In support of that goal, they run senior events, conduct fundraisers and coordinate activities with the town's Council on Aging.

If you identify with these goals and are considering gift giving, they would be most appreciated and put to good use. Gifts made during a person's life or as part of an estate plan are tax exempt under Section 501(c)(3) of the Internal Revenue Service code. You do not have to be a member to give. All members and officers of the Friends are volunteers and receive no compensation — so 100 percent of any gift would reach its goal.

Marion Conservation Commission

On Wednesday, November 18, the Marion Conservation Commission voted to change the night of Commission hearings from Wednesday to Thursday nights. This change is necessary as some of the

Commissioners have conflicting meeting schedules or are pursuing advanced degrees and have Continuing Education classes on Wednesday nights.

Please be advised that because January is a five-week month with the first Thursday being the day after New Year's Day, the Commission will meet on the second and fourth Thursdays of the month — January 9 and January 23, 1997. Effective February 1, 1997, the Commission will meet on the first and third Thursday of each month until further notice. The Commission's secretary will work Monday, Thursday and Friday on the weeks the Commission has a meeting, otherwise her days will remain unchanged (Monday, Wednesday and Friday).

Acushnet Sea Shell Steppers

The Acushnet Sea Shell Steppers will host a "Holly Tree Special" Square and Round Dance on Saturday, December 14 at the Acushnet Elementary School on Middle Road from 8:00 to 11:00 pm. Caller will be Jim Schell, the cuer will be Anna McDougall, and the level will be mainstream-plus. For more information please call 995-7204 or 995-2209.

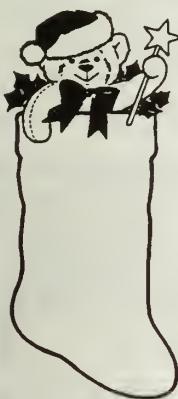

Mattapoisett Museum Open House

Robert A. Paulino R.E.
758-2582

their annual Christmas Open House. At 2:15 pm attendees will be treated to the wonderful musical sound of the group "Calaban," singing seasonal songs from the British Isles. The museum will be decorated, the holiday punch bowl filled, and the table spread with goodies. Everyone is welcome to come and share the holidays with the museum.

"Calaban" Concert in Fairhaven

"Let Our Christmas Merry Be," a concert of traditional song in celebration of the Yule will be performed by Calaban on Sunday, December 15 at 7:00 pm at the Fairhaven Grange Hall, 52 Williams Street in Fairhaven. Admission is \$7 for adults, \$3 for children, and \$4 for seniors and Grange members.

Calaban is a seven-member a capella singing group which will perform an evening of traditional holiday songs and carols from the British Isles. The event will also be a participatory evening where adults and children will be encouraged to join in the singing. Hear the "Boar's Head Carol" as it is sung at Queen's College in Oxford, as well as Wren Songs and village favorites from the Blue Ball Inn in England.

Calaban is Gaelic for "Fair Harbor" or "Fair Haven," but it draws on members from surrounding communities: Jeff Munsell, Westport; Chris Tracey, Dartmouth; Sherry Hamel, New Bedford; Dora Rosenfield and Mary Beth Soares, Mattapoisett; Paul "Truck" Croteau, Musical Director, and Susan Simonsis, both from Fairhaven.

Calaban will be joined by Pam Kuras on fiddle, Joseph Rapoza on horn, bodran and accordian, Irish step dancers, and Laura Travis from "The Celtic Realm" on WRIU, 90.3 FM. It is the hope of Calaban that this revels-like event of pageantry, music and dance will become an annual event.

Tobey's "Lite A Lite" Program

The Tobey Hospital Guild is sponsoring its twelfth annual Christmas program called "Lite a Lite For A Loved One." This program is a very meaningful way to remember loved ones and help support Tobey Hospital.

For the Holidays

The Barns of Rochester 1997 Calendar

The *Barns of Rochester*, celebrating Rochester's farming past, is a wonderful gift for this season of giving—for those who love Rochester, for those who miss it, or simply for those who love barns and their evocation of a rural time fast slipping away. All proceeds from sales of the calendar support the Rochester Land Trust, a group committed to saving our rural heritage through open space preservation.

Mattapoisett Historical Coverlet

Wondering what to buy that special person for Christmas? The Mattapoisett Woman's Club has a limited supply of Mattapoisett Historical Coverlets for sale in colonial blue. The coverlet is 100 percent washable cotton, measures 72 by 48 inches, and is priced at \$45. It depicts twelve historical buildings/sites in the Town of Mattapoisett and will certainly be a collector's item in the future. Please call Phyllis Grader at 758-3410 today to order your coverlet. All Mattapoisett orders will be delivered to your door free of charge.

Off-Street Parking in Marion

Parking is the plague of Marion's commercial arteries, and the Marion Planning Board is poised to operate. The board is rewriting the parking rules and regulations for commercial zones and will include these in a comprehensive package of recommendations for business and residential land use changes for consideration by a Special Town Meeting late this winter.

Many of the recommendations surfaced at meetings held by the Marion Growth Management Committee and were reported by the committee to the Board of Selectmen and the Planning Board. A major

Free Foundation Inspection

finding of the growth management process was that the requirements for off-street parking for businesses under current town regulations are excessive.

Recognizing the downsizing of automobiles in recent decades, the Planning Board has reduced the minimum size of off-street parking spaces that business must provide customers. Prior to 1996, parking spaces were required to be not less than ten by twenty feet. The new dimensions are nine by eighteen feet. Thus, by simply relining their lots, operating businesses may increase their spaces by up to ten percent.

The board commissioned an in-depth study, and its planning and business consultants have provided detailed recommendations for decreasing the number of spaces that a business needs in order to obtain a permit. The Planning Board has voted to develop these suggestions for Town Meeting consideration.

All of the changes in land use requirements, including parking regulations, are designed to retain the character, vitality and attractiveness of Marion while, at the same time, re-energizing the economic viability of the community. The parking changes will benefit businesses and their customers and will not adversely impact the delightful ambience of the community.

Swingers is a clichéd Gen-X film for lounge lizards

BY ROB GONSALVES

■ **Swingers.** Starring Jon Favreau and Vince Vaughn. Directed by Doug Liman. Running time: 94 minutes. MPAA rating: R. At Cinema 140 in New Bedford.

In *Swingers*, the twenty-something guys sit around talking about women — or, more precisely, "babes" — and comparing notes on how to land them. *Swingers*, of course, is the latest illegitimate child of *Diner*, and bits of it are genuinely sharp and funny. But the movie is also the very latest in ironic, post-everything comedy, with hip references and an obscure lingo — like *Trainspotting* for lounge lizards. And do we need another affectionate look at hapless Generation-X guys?

Directed by Doug Liman and written by one of its stars, Jon Favreau, *Swingers* is a clearly autobiographical L.A. story. The guys are all aspiring actors who grumble about the demeaning stuff they audition for; one character is up for the role of Goofy, but loses it to someone with "more theme-park experience." We've seen the type in many independent movies lately, from *Swimming with Sharks* to *Leaving Las Vegas*. But this isn't a movie to wallow in the despair of being a little fish in L.A.'s big pond.

The two main characters, struggling stand-up comic Mike (Favreau) and retro-slick actor Trent (Vince Vaughn), will remind some of Jules Feiffer's clueless guys in his "Bernard and Huey" strips and his script for *Carnal Knowledge*. Those guys were baffled by the emerging feminism of the '60's. Mike and Trent, by

contrast, are *fin-de-siècle* single guys. Decades of pop culture have given them an ironic awareness of every move they try on women. They're watching themselves imitate the icons they grew up on: Travolta, the Fonz, even Woody Allen.

Some of this is engaging, and the leads do carry you along. Favreau is likably flustered and unsure (despite a troubling resemblance to Steve Guttenberg); Mike, who still carries a torch for the woman he left in New York, tells himself that nice guys finish last — that women don't respect men who respect them. Trent, played to suave near-perfection by Vaughn, agrees that nice guys finish last, so he turns himself into his idea of a narcissistic playboy. Sex is less important to him than getting a woman's phone number — he digs the theater of the singles bar, the process, the performance.

Liman and Favreau concoct a consciously derivative world for these guys, and though it's appropriate to the movie, I got tired of it after a while. It's too soon for *homages* to *Reservoir Dogs* (especially when the take-off is accompanied by talk about Tarantino), and Liman stumbles when he mimicks the Copacabana tracking shot from *GoodFellas*; he lacks Scorsese's gliding technique and spontaneous-seeming choreography. The scene is there so you can recognize it and feel hip.

Swingers is very of-the-moment. It cashes in on the recent lounge revival and exploits male confusion in an era when sensitive guys are on the way out. (In these films, men are doomed never to know what women want.) It quotes from movies that Gen-X guys know by heart. It has its moments (the punchline of the movie is great), but the moments don't add up to a vision or even a quotable cult comedy. The guys in *Swingers* are struggling actors in their careers and in their lives, too. They're the stars of their own self-absorbed Gen-X movies.

The Plumb Memorial Library was recently awarded a federal Health Information Grant, which will allow them to provide new library materials on health and healing, as well as provide programs to all age groups. New books and videos have been ordered and are arriving daily on all aspects of physical and mental health, traditional and alternative medicine, spiritual healing, and more. The library sponsored their first program, "Meatless and Magnificent," which was a meatless cooking demonstration. It was very well-attended and got rave reviews. The Health Grant was made possible through the Massachusetts Board of Library Commissioners.

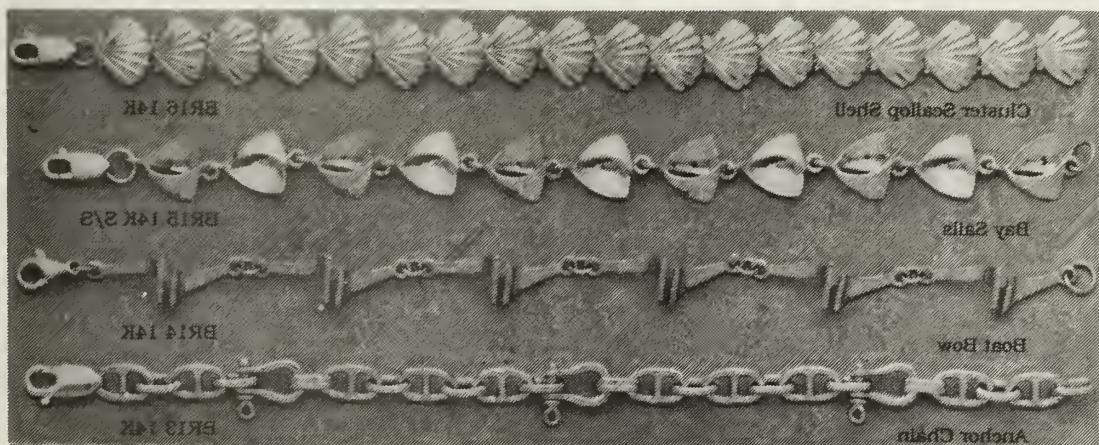

Internet Access

The Plumb Memorial Library is now providing FREE access to the Internet during regular library hours. Users may reserve time, or use it on a first-come, first-served basis. All users need to sign a user agreement form, and those under 18 need a parent's signature. There are all kinds of information out there, so why not come in and "surf the net"? Free Internet access is made possible by Ultranet.

Old Hammondtown Holiday Concert

Old Hammondtown School will present its annual holiday concert, "Cool Yule," on Monday, December 16 at 7:00 pm and on Tuesday, December 17 at 9:00 am at the school. Students under the direction of

Acushnet Historical Commission

The Acushnet Historical Commission is seeking a new Associate Member. The candidate should have a strong interest in local history, and be prepared to give several hours per month in volunteer commission activities. The Associate Member would be expected to attend all commission meetings (every third Monday at 7:00 pm in the Town Hall), would participate in discussion but would have no vote, and would be given preference in consideration for the replacement of a regular member. If interested, please call 763-2488 to make an appointment for an interview.

LEGAL NOTICES	LEGAL NOTICES	LEGAL NOTICES
<p>TOWN OF MARION BOARD OF SELECTMEN INVITATION TO BID</p> <p>The Marion Board of Selectmen invites sealed bids for sewer system rehabilitation. The work of this contract includes rehabilitation of portions of the Town of Marion's existing wastewater collection system in the Lewis Street area, as well as on Front, Vine and Hiller Streets. The work includes, but is not limited to, cleaning, testing and chemical sealing and smoke testing of existing sewers. The contract time for completion of the work shall be sixty (60) calendar days.</p> <p>Contract documents may be examined and/or obtained at the office of Camp, Dresser & McKee, Inc., Ten Cambridge Center, Cambridge, MA 02142. Contract documents are available for examination at F. W. Dodge Division, McGraw-Hill Information Systems Co., 24 Hartwell Avenue, Lexington, MA. A deposit of \$50.00 in cash or check payable to the Town of Marion will be required for each set of the contract documents. A refund of the deposit will be made for documents returned in good condition within thirty (30) days after the bids are received. Bidders requesting contract documents by mail shall include an additional non-refundable check payable to Camp, Dresser & McKee in the amount of \$20.00 per set to cover costs of handling and mailing. Each bid shall be submitted in accordance with the instructions to Bidders and be accompanied by a bid security in the amount of five percent (5%) of the bid. No bidder may withdraw their bid for a period of thirty (30) days, excluding Saturdays, Sundays and legal holidays after the actual date of the opening of the bids. The successful bidder must furnish a one hundred percent (100%) construction performance bond and a one hundred percent (100%) construction payment bond with a surety company acceptable to the Town of Marion. Complete instructions for filing bids are included in the instructions to Bidders. The bidding and award of the contract shall be in full compliance with section 39M inclusive of Chapter 20 of the General Laws of the Commonwealth of Massachusetts as last revised. Wage rates for this project are subject to the minimum wage rates as per M.G.L., Chapter 149, sections 26 to 27G inclusive, as contained in the project manual.</p>	<p>Sealed bids marked "Sewer System Rehabilitation" will be received at the Selectmen's office, Marion Town House, 2 Spring Street, Marion, MA 02738 until 10:00 a.m. on January 3, 1997, at which time they will be publicly opened and read.</p> <p>The Selectmen reserve the right to reject any and all bids or to accept the bid deemed to be in the best interest of the Town.</p> <p>Jonathan E. Dickerson Chairman Marion Board of Selectmen. 12/13, 12/20.</p>	<p>TOWN OF MARION CONSERVATION COMMISSION MEETING</p> <p>The Marion Conservation Commission's regularly-scheduled meeting at 7:00 PM, Wednesday, December 18, 1996 in the Town House main conference room has been rescheduled to 7:00 PM, Thursday, December 19, 1996 in the Town House main conference room. 12/13</p> <p>TOWN OF MATTAPoisETT CONSERVATION COMMISSION NOTICE OF PUBLIC HEARING</p> <p>The Mattapoisett Conservation Commission will hold a public hearing on Tuesday, January 7, 1997 at 7:15 p.m. in the Mattapoisett Town Hall on the Notice of Intent of James Shepley, 99 County Road, Mattapoisett, MA 02739. The proposed project is to construct an addition and access ramp to the existing dwelling and enlarge the existing driveway within the 100 foot buffer zone to a wetland and bank and within a Riverfront Area pursuant to 310 CMR 10.00. The project is located at 99 County Road. Assessor's Map 8 Lot 142. 12/13</p>
	<p>DEPARTMENT OF ENVIRONMENTAL PROTECTION</p> <p>WATERWAYS REGULATION PROGRAM</p> <p>Notice of License Application pursuant to M.G.L. Chapter 91</p> <p>Waterways License Application No. W95-4876 Duane W. & Miriam Ragsdale Notification Date: Dec 18, 1996 Public Notice is hereby given of the application by Duane W & Miriam Ragsdale to maintain an existing stone seawall, stone rip-rap & stone groins at 13 Avenue A within an Ocean Sanctuary in the Municipality of Mattapoisett in and over the waters of Buzzards Bay.</p> <p>The proposed use of the structure(s) and/or fill is to provide shore-line stabilization for the protection of existing structures and is a water-dependent project.</p> <p>The Department will consider all written comments submitted thirty (30) days subsequent to the "Notification Date" in order to decide whether to grant authorization for the proposed activity pursuant to G.L. Chapter 91. A public hearing may be held upon request by the Municipal Official. Furthermore, a municipality, ten citizen group or any aggrieved person that has submitted written comments may also petition to intervene to become a party before the close of the comment period. Failure to submit such petition will result in the waiver of any right to an adjudicatory hearing. Further information regarding this application may be obtained by contacting the Division at (617) 292-5695. Plans and documents for this application are on file with the Department for public viewing, by appointment only, at the address below.</p> <p>Written comments must be submitted to: John A. Simpson, Program Chief, DEP/Waterways Regulation Program, One Winter Street, 8th Floor, Boston, MA 02108. 12/13</p>	<p> He's Back...</p> <p>This week and every week to follow we are hiding the aardvark in <i>The Wanderer</i> once again. For those of you not familiar with this practice, here's how it works. Each week we hide a little aardvark (shown above, actual size) somewhere in the newspaper (not counting the aardvark above). If you find him (or even if you don't) you can send in a postcard with your name, address, and phone number to the address below to enter our Aardvark Drawing! This week we are giving away an "I found the Aardvark" lapel pin. Send entrees to: Aardvark, P.O. Box 102, Mattapoisett, MA 02739.</p>

will be lighting Benoit Square once again this year. On Friday evening, December 13 at 6:00 pm, the Oxford School Choir group will parade from the school to the square and sing Christmas carols. This is a great event many of the neighbors turn out for. Then Santa will arrive to pass out candy canes to all children in attendance. Santa will then go to the school for hot chocolate at the Holiday Fair which begins at 6:30 pm and sponsored by the Oxford School PTO. The public is welcome to join the festivities.

Adoptable Animals

The local chapter of Animal Umbrella, Inc. would like to engage in a couple of undertakings before the winter comes upon us. They have recently evaluated two sites where there are many cats — mostly females — living in precarious situations and propagating regularly. Feeders have contacted the group to help stop the propagation of kittens, so there won't be any born during the winter months only to freeze to death.

Animal Umbrella is very willing and able to spay and neuter the adults, take the existing kittens into foster care, and provide food and shelter after surgery. The total cost of this project would be over \$500. Animal Umbrella is appealing to cat lovers out there who can help. Any amount donated toward this project would be greatly appreciated. Donations can be sent to: Animal Umbrella, 11 Ridgewood Road, Mattapoisett, MA 02739. The group will keep you informed of their progress.

The brown tiger siblings and large tiger have been adopted. The group still has many cats and kittens of all ages available for adoption. If interested in any of these

ORR School District

Tree Lighting/Craft Fair

Tri-town residents are cordially invited to Old Rochester Regional High School to participate in a holiday Tree Lighting sponsored by the ORR Student Council on Thursday, December 12 at 6:30 pm. The event

will be followed by a Craft Fair at 6:45 pm.
Holiday Craft Sale

In Santa's workshop — Room B126 at ORR High School — the elves are once again busy at working making holiday crafts, gifts, ornaments, decorations, and baked goods. For the past seventeen years, the enthusiasm and festive spirit has grown anew as the big day approaches. All items have been made by the art students and will be on sale in the main lobby on Thursday, December 12 from 8:30 to 1:30. If you can stop by and show your support, it would be greatly appreciated. The snowdate will be Friday, December 13.

WE ALL MAKE MISTAKES

Fortunately, some can be corrected.

Happy
Holidays!

So you should have replaced your old oil-guzzling boiler last year. So you made a mistake.

Fortunately, you can still save a bundle this year with a fuel-efficient Smith oil-fired boiler. With its 86% efficiency rating, your Smith boiler pays for itself in fuel savings in no time. Add up the efficiency, comfort and limited lifetime warranty and you'll discover that you can't afford to wait another day.
